

present any relevant information to the board. (See sample letter at annex A to App B.) If subsequent investigation reveals a failure by the responsible person to take corrective action, the board should recommend the imposition of the off-limits restriction.

(f) A specified time limit will not be established when an off-limits restriction is invoked. The adequacy of the corrective action taken by the proprietor of the establishment will be the determining factor in removing an off-limits restriction.

(g) A person whose establishment or area has been declared off-limits may, at any time, petition the president of the board for removal of the off-limits restriction. The petition will be in writing. It should state, in detail, the action taken to eliminate the adverse conditions or situations that caused the imposition of the restriction. In response to the petition, the President of the AFDCB may cause a thorough investigation to be made of the status of these adverse conditions or situations. A report of the results of the investigation would be presented to the board. The board then will either recommend removal or continuation of the off-limits restriction to the local sponsoring commander.

(h) Off-limits procedures to be followed by the boards are in appendix B. In the United States, off-limits signs will not be posted on civilian establishments by US military authorities.

Subpart C—Off-Installation Military Enforcement Services

§ 631.12 Objectives.

The primary objectives of off-installation enforcement are to—

(a) Render assistance and information to Armed Forces personnel.

(b) Reduce the incidence of off-installation military offenses committed by Armed Forces personnel.

(c) Enforce the UCMJ and other pertinent regulations, directives, and orders among persons subject to the UCMJ.

(d) Maintain effective liaison and cooperation with civil law enforcement and judicial agencies.

(e) Enhance apprehension efforts and return to military control absentees

and deserters wanted by the Armed Forces.

(f) Maintain good community relations.

(g) Assist in the return of military members detained by civil authorities to military control.

§ 631.13 Applicability.

This chapter applies to off-installation enforcement activities. It does not apply to the activities of AFDCBs which were discussed in subpart B. It is not applicable to the U.S. Navy.

§ 631.14 Responsibilities.

(a) Commanders of military installations will recognize the responsibility of civil authorities for the maintenance of peace and order in those areas not under military jurisdiction or control. They should—

(1) Conduct off-installation law enforcement in accordance with applicable Service policies and procedures.

(2) Coordinate the liaison functions to accomplish the objectives outlined in paragraph 3–1.

§ 631.15 Policy (for Army only).

(a) *Within CONUS.* (1) Normally, off-post patrols will not be established in CONUS. However, MACOM commanders may authorize military police to establish off-installation patrols if needed—

(i) In conjunction with military operations.

(ii) To safeguard the health and welfare of Army personnel.

(iii) When the type of offenses or the number of military personnel frequenting an area is large enough to warrant such patrols.

(2) In view of the important legal implications involved (see 18 U.S.C. 1385, the Posse Comitatus Act), the advice of the local Staff Judge Advocate should be sought prior to the implementation of such an authorization. When possible, MACOM commanders will execute a mutually acceptable written agreement with the civil police authorities.

(b) *OCONUS.* Off-post patrols will be kept at a minimum for mission accomplishment. Commanders of MACOMs may authorize off-post patrols as required by local conditions and customs

as long as these patrols are in accordance with applicable treaties and Status of Forces Agreements.

(c) Military police personnel selected for off-post patrols must be experienced in law enforcement and have mature judgment. They must be thoroughly familiar with all applicable agreements and implementing standard operating procedures. They must understand the implications of the Posse Comitatus Act as it pertains to military law enforcement personnel assisting local law enforcement agencies.

(d) At a minimum, instructions to military police assigned to off-post patrols will specifically state that if they accompany civil police, they will do so for the sole purpose of enforcing the UCMJ among persons subject to the code. Their instructions will also specifically state that they are under the command and directly responsible to their military superiors and that they exercise no authority over the civil police or the civil populace. Accordingly, military police should be instructed that they are not to exercise any authority in a case of misconduct or apparent law violation unless the person concerned has been identified as a member of the military service. However, military law enforcement personnel may come to the aid of civil police in order to prevent the commission of a felony or injury to a civilian police officer.

§ 631.16 Policy (for Navy only).

(a) Off-base law enforcement activities by naval personnel (CONUS and Hawaii) shall be limited to liaison functions with civilian law enforcement agencies and courts and to the acceptance of "courtesy turnovers."

(b) The court liaison function is limited to the provision of an official Navy point of contact for the courts, to the provision of advice for individuals and local commands, and to court appearance with individuals from deployed commands.

(c) Courtesy turnovers will be limited to those persons whose behavior and attitude are acceptable and who desire to be returned to the custody of their parent command.

(d) Courtesy turnovers will be accepted from jails, police stations, etc., but

not directly from police officers on the scene of an incident.

§ 631.17 Policy (for Marine Corps only).

(a) *Within CONUS.* (1) Normally, off-installation patrols will not be established in CONUS. However, installation commanders may request authority from HQMC (Code MPH) to establish off-installation patrols if needed.

(ii) To safeguard the health and welfare of Marine personnel.

(iii) When the type of offenses or the number of military personnel frequenting an area is large enough to warrant such patrols.

(2) In view of the important legal implications involved (see 18 U.S.C. 1382, the Posse Comitatus Act as made applicable to DoN) the advice of the local staff judge advocate/legal officer should be sought prior to the implementation of such an authorization. When possible, installation commanders will execute a mutually acceptable written agreement with the civil police authorities.

(b) *Overseas Areas.* Off-installation patrols will be kept at minimum for mission accomplishment. Commanders of installations may authorize off-installation patrols as required by local conditions and customs as long as these patrols are in accordance with applicable treaties and Status of Forces Agreements.

(c) Personnel selected for off-installation patrols must be experienced in law enforcement and have mature judgment. They must be thoroughly familiar with all applicable agreements and implementing standard operating procedures. They must understand the implications of the Posse Comitatus Act as it pertains to military law enforcement personnel assisting local law enforcement agencies.
